

AUSTRALIAN INHERITED RETINAL DISEASE REGISTER AND DNA BANK
Summary as at 13th October 2011

Custodian: Department of Medical Technology & Physics
 Sir Charles Gairdner Hospital WA ph: +618 9346 2866

DNA and supporting information may be made available to approved researchers on request.
 No individual subject or family identification information will be released.

('*' in 'GENE' column indicates some genetic analysis performed, no mutation identified)
 ('I' in 'Imp' column indicates mutation assigned by implication)
