

Vaccine Update 465 - Upcoming webinars

Upcoming webinar: Changes to the WA Immunisation Schedule

The Communicable Disease Control Directorate (CDCD) Immunisation Program is hosting a webinar covering important changes to the WA Immunisation Schedule. This session will focus on updates related to pneumococcal and RSV vaccines. Attendees will gain insights into the rationale behind the changes and implications for immunisation providers.

Have questions you'd like addressed during the Q&A? Submit them in advance via this [Survey Link](#) by 4pm, Thursday 13th November.
